

Dear Robert,

I am attaching the photo that I took of you with Governor Lynch last week at the Freedom Ride and Vigil Ceremony. The Governor asked me to pass along his thanks for the signed photograph of the bike. It was very thoughtful of you to give it to him, and he appreciates it very much. Please let me know if there is anything else that I can do for you.

Best,  
Lillie Green  
Director of Citizen Services  
Office of Governor Lynch, NH
